Challenge Refrigerators—Best by Every Test—In the 15-Day Sale 20% to 40% Off for Cash

There is a CHALLENGE REFRIGERATOR to meet every household need for a good refrigerator. Challenge refrigerators are scientifically constructed with a thought of saving food as well as ice. Ice is cheap, therefore, save the food.

The highest pinnacle of refrigerator construction in the famous Challenge line has been attained in its one-piece porcelain lining with rounded inside front corners and patented collar connecting ice chamber which eliminates all wood surfaces in the provision chamber. Three-door refrigerator as illustrated, 40-pound ice capacity, white enamel lining. Sale price \$25

Other styles in this line at \$15 to \$180

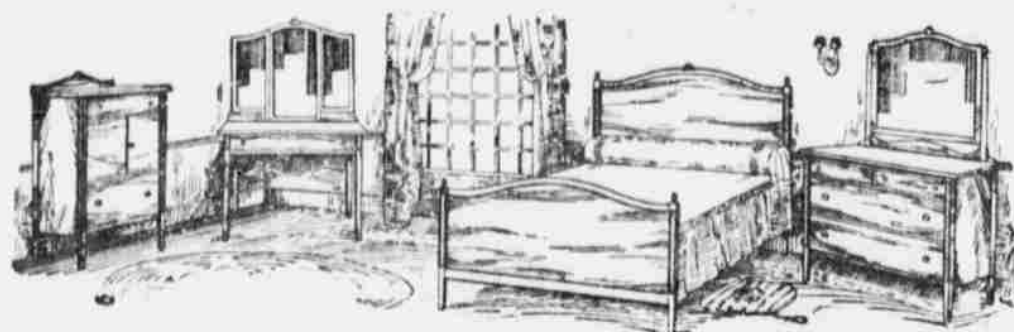

—Not odds and ends reduced, not special merchandise bought for sale purposes reduced—BUT the best furniture in our entire stock tremendously reduced—and particularly that kind of furniture which makes the home more attractive.

Assortments in all lines of home furnishing appointments are at their best NOW—a result of the constantly incoming new spring merchandise. Prices are lower NOW in every class of merchandise designed for the promotion of home comfort and convenience.

Selection, then, is most gratifying NOW to the housewife who takes pride in finding the things which EXACTLY suit her tastes, at the most advantageous pricings. BUMGARNER'S offerings never had greater force of appeal, from the standpoint of QUALITY, VARIETY and PRICE than they do right now.
